Total # of hours worked this week: 14.5

What you accomplished (or attempted) this week:

Fished the presentation. Started working on betting data.

Any setbacks/roadblocks you experienced:

Error with stadium capacity. Some of the capacities are just wrong. Looking at ways to either fix this issue or go about with analysis not using it.

What you plan to work on next:

Finish up betting data and move into the model.

Are you on track? If not, how will you get back on track?

Yes I am on track.
