Total # of hours worked this week: 14

### What you accomplished (or attempted) this week:

I finished the poster. Finally got the calendar plot to work after several weeks. I also begun to start the modeling.

### Any setbacks/roadblocks you experienced:

Not really setbacks just htings took more time.

**What you plan to work on next:**

Revise the poster and finish the model

**Are you on track? If not, how will you get back on track?**

On track
