Started working on the presentation. Kept working on Questions 4 and begun Question 5. Reorganized the questions and Changed Question 5 to be more about teams names vs their postions.

### Any setbacks/roadblocks you experienced:

I was traveling so the times are all messed up on friday so I am just not putting them there. Also had to learn how to do Quarto Presentations.

**What you plan to work on next:**

Continue working on the presentation and Finish the away team impact. Then move to the betting data.

**Are you on track? If not, how will you get back on track?**

Yes I am on track. I feel pretty good about where I am at.
